??? Sur cette section, l'équipe n'a pas bippé le boîtier de début et / ou de fin de section. Le temps de la section ne peut donc pas être calculé. Cela n'a pas d'impact sur le temps total du raid et

X L'équipe a décidé de ne pas faire cette section qui n'avait pas de pénalité (traversée pour aller à Gâvres).

00:00:00 Le temps de chaque section intègre les pénalités pour balises manquantes et pour temps dépassé.

??? Sur cette section, l'équipe n'a pas bippé le boîtier de début et / ou de fin de section. Le temps de la section ne peut donc pas être calculé. Cela n'a pas d'impact sur le temps total du raid et

X L'équipe a décidé de ne pas faire cette section qui n'avait pas de pénalité (traversée pour aller à Gâvres).

00:00:00 Le temps de chaque section intègre les pénalités pour balises manquantes et pour temps dépassé.
